Notes:

The objective of the aforementioned list is to increase the transparency regarding the palm oil suppliers that are potentially linked to the supply chain of Nissin Foods Group in Japan, the United States, Hungary and Brazil. As with any traceability endeavor, this is a snapshot which reflects our efforts to map our supply chain through data collected from January 2024 to December 2024 in partnership with our Tier-1 suppliers.

We are committed to building a sustainable palm oil supply chain in line with our Sustainable Palm Oil Sourcing Policy, regardless of whether these suppliers are directly involved in our supply chain or not. In the event of a case not conforming to our policy is identified, we will work actively with our suppliers to ensure that the mill is not to be a part of our supply chain unless appropriate remediation plans have been agreed upon and implemented.

Whilst the information on this list is correct to the best of our knowledge and has been verified with considerable effort, we cannot guarantee its full accuracy or completeness due to the ever-changing nature of supply chain flows. Therefore, we are open to make the appropriate corrections to our disclosure should any stakeholder be willing to provide reliable data that shows inconsistencies with our own.
